Did You Know?

- ♣ St Patrick was actually born in Britain, not Ireland
- ♣ The color **BLUE** was originally associated with St Patrick's Day
- ♣ It takes 40 pounds of vegetable dye to turn the Chicago River Green
- ♣ The NYC St. Patrick's Day Parade takes 5 hours
- ♣ Leprechauns are thought to have originated as Faeries
- ♣ The **Emerald Isle** is another name for Ireland
- ♣ March 17th is anniversary of St Patrick's death, not his birth

Struggling to Pay your Water Bill?

California's Low Income Household Water Assistance Program (LIHWAP) is providing critical financial assistance to low-income households by helping to pay down current and past due water and sewer bills.

Households that participate in Cal Fresh, CalWORKs, or the Low Income Home Energy Assistance Program (LIHEAP) are income-qualified to get support through LIHWAP. Other low-income households also may qualify. This program is administered by the California Department of Community Services and Development (CSD), which is working with local service providers (LSP) to connect low-income households to the financial support they need.

This program has been extended to **March 31, 2024**

Please visit: <https://www.taphelp.org/> to apply.

Your local service provider will follow up within five to seven days.

Don't forget that
March 5, 2024 is
the primary
election.

The district office will be available for you to exercise your rights and cast your vote.

- ✦ The Easter Bunny originated in Germany
- ✦ There are over 2500 Easter Eggs in the Largest Easter Egg Museum in the world found in Poland
- ✦ The most popular Easter Candy in America is the Marshmallow Peep

❖❖ Upcoming Water Line Flushing ❖❖

Water Line flushing has been postponed over the last few years due to drought conditions, but it is a very important part of the District's maintenance program. With a full allocation the District will recommence our line flushing maintenance program. Our personnel will be flushing water lines in the District during the month of November. Customers may experience fluctuations in water pressure and/or cloudy water during this time. We would like to thank you in advance for your patience during this very important process. Please feel free to contact the District office with any questions that you may have at (530)275-3002.
