

MISSION STATEMENT: It is our mission to provide the Mountain Gate Community with reliable, safe and clean water and fire protection services at the lowest cost possible.

January 1, 2018

Daniel Norton receiving the Water Scholarship from the MGCSA Auxiliary.

Mountain Gate CSD Auxiliary Scholarship Awarded

The Mountain Gate CSD Auxiliary is a committee of Volunteers who hold activities such as the Pancake Breakfast and the Annual BBQ to earn funds to support fire and water educational scholarships, burn out victims, Mountain Gate Volunteer Fire Department and other deserving causes.

One of this years \$500.00 Scholarship Award was presented to Daniel Norton for his Water Technology Coursework at Shasta College. Daniel was selected from among many applicants for this scholarship. The award was presented by Auxiliary Members David Selby and Judy Payne at the Pancake Breakfast on December 9, 2017.

The Mountain Gate Auxiliary would like to thank the community for coming out and supporting these great programs.

www.mountaingatescd.com

Please Note: (Fees do apply: electronic check transactions are \$1.50 and all Credit Card transactions are \$3.00)

INFORMATION CONCERNING OPEN BURNING

You may now conduct normal burning operations without a burn permit in the Mountain Gate area.

Prior to conducting a burn, you must place a call to the Burn Number at (224-8777) no earlier than 9:15 am on the day you wish to burn to determine if it's a burn day. Burn days are determined by the State of California Air Quality Board. Please follow the burning guidelines below:

- All burning must be started no earlier than 10:00 am, and the fire must be out by 5:00 pm the same day.
- You must have a shovel and water available at the burn site for safety.
- You must have burnable material remove down to bare earth for a minimum distance of 10 feet surrounding the burn, with no overhanging limbs.
- Burn piles must be no larger than 4 feet in diameter, and there must be at least 10 feet between burn piles.
- You may only burn yard debris and trimmings, and never leave your burning pile unattended.
- You may not burn garbage, plastics, painted building materials, clothing, furniture, mattresses, or anything that is not yard trimmings.

Here are some suggestions as we approach the open burning and wood heating season.

- 1) Inspect and clean your wood burning stove or fireplace and flue system carefully.
- 2) Be sure to use dry wood, higher moisture contributes to creosote build-up in the flue.
- 3) Clean your gutters and inspect them regularly throughout the year.
