McConnell Water Purchase

On March 9, 2022, the Board of Directors passed a resolution to purchase 200 AF of water from the McConnell Foundation to help meet the needs of the Mountain Gate Community for the coming year. This is the 3rd year of our drought and the 2nd year that we have had to purchase additional water from the McConnell Foundation to supplement the allotment of water from the Bureau of Reclamation.

Bring your **Hot Rod** and join us for our Show and Shine

Breakfast on
April 9, 2022
7:00am – 11:00am

Details on the back

*We are still in Stage 1 Drought
Voluntary Water Reduction –
And we need your help to
conserve water.*

- ❖ We encourage alternative day watering; evening and early morning watering for all members of our community.
- ❖ We ask that any new development postpones landscaping.
- ❖ We ask that you not fill new pools or ponds; topping off of existing pools is allowable.

We have begun adding well water to circulation. This may introduce cloudiness to the water that is a natural byproduct of CO2. The cloudiness will dissipate naturally after a few minutes. There are also high calcium deposits (hard water) which are not harmful but may create spots on your dishes. Using Jet-Dry in your dishwasher can prevent these spots.

Because of the drought we will not be flushing water lines this year.
