

MOUNTAIN GATE COMMUNITY SERVICES DISTRICT

Established 1956

MISSION STATEMENT: It is our mission to provide the Mountain Gate Community with reliable, safe and clean water and fire protection services at the lowest cost possible.

February 1, 2018

Mountain Gate CSD Auxiliary Awards Second Scholarship

On behalf of the Mountain Gate C.S.D. Auxiliary, I would like to thank the members of the Mountain Gate Community and our local businesses for their support this past year. The Auxiliary Pancake Breakfasts and Annual BBQ held in September has raised enough money to provide funds to award two \$500.00 scholarships for Fire Science and Water Treatment to students attending Shasta College. We also provide funds for burnout victims from house fires within our district.

Daniel Norton was presented the Water Technology Scholarship at the Pancake Breakfast of December 9, 2017. Parker Bartholomay was presented the second Fire Science Scholarship at last month Pancake Breakfast. Congratulations to Daniel and Parker.

Our Auxiliary Pancake Breakfast and Annual BBQ promote a sense of community in our district and a chance to relax, visit and enjoy a wonderful meal with your neighbors. We look forward to serving our district in 2018. Volunteers are always welcome, the Auxiliary meets on the last Wednesday of the month at the Mountain Gate Community Services District Boardroom at 6:00 P.M.

www.mountaingatesd.com

Please Note: (Fees do apply: electronic check transactions are \$1.50 and all Credit Card transactions are \$3.00)

INFORMATION CONCERNING OPEN BURNING

You may now conduct normal burning operations without a burn permit in the Mountain Gate area.

Prior to conducting a burn, you must place a call to the Burn Number at (224-8777) no earlier than 9:15 am on the day you wish to burn to determine if it's a burn day. Burn days are determined by the State of California Air Quality Board. Please follow the burning guidelines below:

- All burning must be started no earlier than 10:00 am, and the fire must be out by 5:00 pm the same day.
- You must have a shovel and water available at the burn site for safety.
- You must have burnable material remove down to bare earth for a minimum distance of 10 feet surrounding the burn, with no overhanging limbs.
- Burn piles must be no larger than 4 feet in diameter, and there must be at least 10 feet between burn piles.
- You may only burn yard debris and trimmings, and never leave your burning pile unattended.
- You may not burn garbage, plastics, painted building materials, clothing, furniture, mattresses, or anything that is not yard trimmings.

Here are some suggestions as we approach the open burning and wood heating season.

- 1) Inspect and clean your wood burning stove or fireplace and flue system carefully.
- 2) Be sure to use dry wood, higher moisture contributes to creosote build-up in the flue.
- 3) Clean your gutters and inspect them regularly throughout the year.

For more burn day information call:
