MOUNTAIN GATE VOLUNTEER FIRE DEPARTMENT

Fire season is still here, please make sure that vegetation is cleared from your driveway and house address so that fire trucks can easily find and access your property. Be sure that you have cleared away dry vegetation from at least 100 feet around your home and remove any leaves and pine needles from your roof. These precautions will make your home more defensible during the fire season. *Please contact the Fire Chief Don Kerns with any questions @ 275-3003.*
