INFORMATION CONCERNING OPEN BURNING

You may now conduct normal burning operations with a valid and current burn permit in the Mountain Gate area. Permits will be issued by CAL FIRE or call (530) 225-2418.

Prior to conducting a burn, you must place a call to the Burn Number at (224-8777) no earlier than 9:15 am on the day you wish to burn to determine if it's a burn day. Burn days are determined by the State of California Air Quality Board. Please follow the burning guidelines below:

- All burning must be started no earlier than 10:00 am, and the fire must be out by 5:00 pm the same day.
- You must have a shovel and water available at the burn site for safety.
- You must have burnable material remove down to bare earth for a minimum distance of 10 feet surrounding the burn, with no overhanging limbs.
- Burn piles must be no larger than 4 feet in diameter, and there must be at least 10 feet between burn piles.
- You may only burn yard debris and trimmings, and never leave your burning pile unattended.
- You may not burn garbage, plastics, painted building materials, clothing, furniture, mattresses, or anything that is not yard trimmings.
