Our Annual BBQ is scheduled for Saturday  
September 14<sup>th</sup>.  
From 4-7pm Roy D Harris Park

We will be blending well water into the Distribution System. This may introduce cloudiness to the water that is a natural byproduct of CO<sub>2</sub>. The cloudiness will dissipate naturally after a few minutes. There are also high calcium deposits (hard water) which are not harmful but may create spots on your dishes. Using Jet-Dry in your dishwasher can prevent these spots.
