Mission Statement: It is our mission to provide the Mountain Gate Community with reliable, safe and clean water and fire protection services at the lowest cost possible.

Struggling to Pay your Water Bill?

California's Low Income Household Water Assistance Program (LIHWAP) is providing critical financial assistance to low-income households by helping to pay down current and past due water and sewer bills.

Households that participate in Cal Fresh, CalWORKs, or the Low Income Home Energy Assistance Program (LIHEAP) are income-qualified to get support through LIHWAP. Other low-income households also may qualify. This program is administered by the California Department of Community Services and Development (CSD), which is working with local service providers (LSP) to connect low-income households to the financial support they need.

This program has been extended to **March 31, 2024**

Please visit: <https://www.taphelp.org/> to apply.

Your local service provider will follow up within five to seven days.

❖ Unique New Year's Celebrations in America

- ❖ In Miami, the 35-foot neon-lit Big Orange rises up on the side on the InterContinental Hotel, and fireworks launch when it reaches the top.
- ❖ At the historic Hershey Press Building in Pennsylvania, a 300-pound, seven-foot-tall Hershey's Kiss is raised three stories.
- ❖ The New Year's Eve Pickle Drop started in 1999, a glowing, three-and-a-half-foot pickle drops from the Mount Olive Volunteer Fire Department's tower truck.

Adults \$8 Children \$5

Current burn day information for Shasta County is updated at 9:00 a.m. each day. Checking this message prior to 9:00 a.m. will not give you today's burn status. Call (530)224-8777 for status.

Above 1,000 feet in elevation, burn hours are 9:00 a.m. to 12 midnight. Consult your local fire authority for specific burn hours. Below 1,000 feet in elevation, the burn hours are 9:00 a.m. to 5 p.m. Do not start or feed a fire after 3 p.m. All fires below 1,000 feet in elevation must be out by 5 p.m. unless otherwise authorized by the Air Quality Fire Protection Authorities.

If you are burning material that has been stacked using heavy equipment such as a bulldozer, loader, or excavator, please contact the Air Quality Management District at 530-225-5674 to schedule an inspection and obtain the correct permit.

❖❖ Upcoming Water Line Flushing ❖❖

Water Line flushing has been postponed over the last few years due to drought conditions, but it is a very important part of the District's maintenance program. With a full allocation the District will recommence our line flushing maintenance program. Our personnel will be flushing water lines in the District during the month of November. Customers may experience fluctuations in water pressure and/or cloudy water during this time. We would like to thank you in advance for your patience during this very important process. Please feel free to contact the District office with any questions that you may have at (530)275-3002.
