2022/2023 Operating Budgets

The Board of Directors will be discussing the 2022-2023 Operating Budgets at the May 11, 2022 Board of Director's meeting. The public is welcome to attend.

We want to wish all of the Mother's in the District a Happy Mother's Day!

We are continuing to add well water to circulation. This may introduce cloudiness to the water that is a natural byproduct of CO₂. The cloudiness will dissipate naturally after a few minutes. There are also high calcium deposits (hard water) which are not harmful but may create spots on your dishes. Using Jet-Dry in your dishwasher can prevent these spots.

Because of the drought we will not be flushing water lines this year.
